Join us and serve ...

The Madison Education Foundation is committed to supporting the teachers and staff of the Madison School District 321. We are governed by an all volunteer board, however, there are other ways to help. Here are a few options:

Committee Member: As needed, committees meet to discuss and work on current projects that may include fundraising campaigns, event planning and coordination, community relations and marketing, etc.

Talent Specific Volunteer:

You have specific talents? We need your skills. Sometimes we need help with things like web design, social media coordination, brochure/postcard design, etc. We will let you know when the need arises.

Event Specific Volunteer:

Occasionally we just need help putting on an event. This volunteer option gives you the most flexibility while still being involved.

PTO Liason: Be involved on both sides to keep both groups aware of what is going on and how they can work together to benefit the students in their schools.

Our Mission:
Enhancing education programs
and opportunities for all students

WHAT IS THE MEF?

The Madison Education Foundation (MEF) has been a part of the Rexburg community since 1993 and was established to promote enhanced funding of educational programs and opportunities for students.

The vision of the MEF is to support the Madison School District #321 by raising funds to advance opportunities for students.

Through the years, the MEF has served as a vehicle for generating tens of thousands of dollars for the students of the district. It is exciting to witness the generosity of our community in contributing to the educational support of our children.

Teacher Grants ...

Grants are awarded to teachers, staff, and administrators who apply during the application period. These funds are made available from the Permanent Endowment Fund. As this fund continues to grow, more grants will be accommodated.

Tax Incentives ...

Tax incentives have been created by the State of Idaho that enhance the benefit of making donations to the MEF. Tax credits of up to \$1,000 for joint filers and up to \$5,000 for corporations and small businesses are available.
